

ADOLFO QUEVEDO MARTINEZ

I am Adolfo, I am 13 years old, I live in Mexico and I would like to enter this school to be able to help classmates learn Spanish and learn more about the subject of biology or science.

EDUCATION: SECONDARY 72M 2022–2025

My overall average was between 9.6 and 9.9 in this subject (Biology) which is where I understand and like the most.

WORK EXPERIENCE Projects 2023

I recently finished a project in which I needed metals and melted them, mixed them, etc. I really liked the reactions this got and sharing them with more people.
