EDUCATION

Oak Valley Middle School

June 2022- June 2025

Monterey Ridge Elementary School

REWARDS EXPERIENCE

1. 4S Ranch Youth Golf Club
Chair

San Diego , CA
Aug 2019-2024

Organized and led youth golf club activities, fostering a positive and inclusive environment for young golf enthusiasts.

Collaborated with fellow members and parents to coordinate events, manage resources, and ensure a smooth operation of the club.

2. Math Olympiad Gold Award

May 2021- 2023

Demonstrated exceptional mathematical skills and problem-solving abilities by earning the Gold Award in the Math Olympiad competition for consecutive years.

3. American Computer Science League Gold Award.

May 2023

Recognized with the Gold Award in the American Computer Science League, showcasing proficiency and excellence in computer science.

4. Math Count Chapter Team Representative - Oak Valley Middle School.

Nov.2023-May 2024

Represented Oak Valley Middle School as a team member in the Math Count Chapter, competing in regional competitions.

Collaborated with team members to solve complex math problems and contribute to the overall success of the team.

Skills

Leadership: Proven ability to lead and organize activities, as demonstrated in my role as the Chair of the 4S Ranch Youth Golf Club.

Mathematics: Strong analytical and problem-solving skills, validated through achievements in Math Olympiad and Math Count competitions.

Computer Science: Programming Languages: C++, Python

Provide additional details or specific skills if relevant (e.g., data structures, algorithms, libraries, frameworks)

Team Collaboration: Successfully worked with team members in various competitions, fostering a collaborative and supportive environment.
